ABOUT THIS PUBLICATION

South Australian Economic Indicators is a monthly publication which contains the latest available data at the time of preparation for a range of statistical series that have been identified as indicators of economic activity in this State. In a number of cases the figures presented are preliminary and subject to revision in subsequent issues.

SYMBOLS AND OTHER USAGES

ROUNDING

Where figures have been rounded, discrepancies may occur between sums of the component items and totals.

INFORMATION

All data are presented in original terms, unless otherwise stated. More detailed information on each series, including explanatory and technical notes, can be obtained from other Australian Bureau of Statistics publications or alternative data sources. To assist those seeking further information, the series presented in the statistical and state summaries provides a reference to the Publication Source Index which is at the end of this publication.
